# Connection | Cover

## Classic

The connection system is fixed at the rear of the case. It is put easily in the eyelets on the 2nd case, which is fixed at the front side of the case.

## Avantgarde

The cases are simply connected with two strong belts.

**EUR 50 / Set**

## Cover (*only for Avantgarde*)

For safe transport in the aircraft or to the general protective function, we offer a protection cover.

The wheel housing remains detached and there is a cutout for the trolley handle, too. The cover can be locked with a zipper.

**EUR 50**

# Logos | tray tags

## Logo-Stitch

We recommend a high-quality logo stitch for the AVANTGARDE-Version. Any color or size can be done.

### Price on application

## Name plate

Mounting of identification marks made of aluminium plates is very popular especially for the Classic-Series. Chose the size and the position that you need.

### Price on application

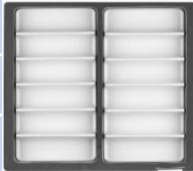

## Tray labels

High-quality plastic labels are fixed firmly in the tray. The labels won't fall out of the tray and won't be bended.

### EUR 0,50 / pc.
